

THE MOTH COMPANY

MOTH Ambassador Informational Packet

We're so glad you're here.

The MOTH Ambassador Program is for those who believe in the power of connection and understand that loneliness is not inevitable. Community is something we create together.

As a MOTH Ambassador, you'll be part of a movement that's all about bringing people closer—to their communities, to new experiences, and to each other. Whether you're sharing MOTH's story, connecting with local businesses, or just helping someone find their place, you're making a real difference.

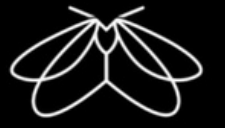

We want this to be an opportunity where your voice, your experiences, and your passion can inspire others to join in and create something meaningful.

Let's make some magic.
